Truck Insert

KING OF THE JOB SITE

Landscapers | Builders | Handymen | Farmers | Contractors

Description

The OCF Dumper insert instantly turns your pickup truck into a dump truck for a fraction of the cost! And, it will outlast your truck.

Never unload your truck by hand again. The hydraulically-operated OCF Dumper unloads your contents with the push of a button. In less than 30 seconds, 5200lbs or two cubic yards of material is unloaded with absolutely no manual labour! The ideal solution for firewood, topsoil, gravel, mulch, grain, or whatever needs to be dumped.

The OCF Dumper is EZ to install, EZ to use, EZ to buy, and EZ on the pocketbook.
